For any additional health-related concerns or information concerning your child, please contact Katie Roseberry at 907-852-0518 or krroseberry@asrc.com.

Parent or guardian signature _____ **Date** _____

Camper Survey Questions

Below are some questions that your child will need to complete for this application. These same questions will be asked again at the end of the camp to help us understand how well our camp is doing and what the campers are learning. Please answer the following:

What do you know about traditional plants? Have you gathered and or eaten any traditional plants, berries, or teas?

What do you know about the traditional value of Hunting Traditions? Have you had the opportunity to go hunting, whaling, fishing, and learned how to skin any animals?

What traditional foods have you worked with?

What do you know about Arctic survival? Have you been camping, used a GPS, and/or learned about safety while on the land?

Does your family go camping? How many times have you been camping with them?

What traditional arts have you tried, and what have you made or done? This may include sewing, carving, beading, mask-making, learning traditional songs and dances, toolmaking, or any other traditional art you can think of.

Additional Information & Questions

CELL PHONE USE CLAUSE/NOTICE

Historically, Iñupiat people learned our culture and traditions by observing and participating in activities parents and Elders did throughout the day. To continue the passing down of cultural knowledge in this way and ensure our youth attendees have a meaningful cultural experience, we will be supporting an “unplugged” camp. This means camp attendees will be turning in their phones for the day unless there is an emergency in which they need to use them. They will have access to them in the evening after we’ve completed our daily activities and may make phone calls during that time. Please note that they may or may not have cell service at the main campsite, which is outside of the village of Wainwright.

COVID-19 PRECAUTIONS

Our camp staff team will implement the most recent COVID-19 guidelines suggested by the CDC and as recommended for the North Slope region according to current infection rates. Supplies to mitigate the spread of COVID-19 will be available on site, as needed. These include spare masks, hand sanitizer, rubber gloves, and information sheets about COVID-19. All camp staff, guests and youth will be required to wear masks indoors, sanitize their hands frequently and practice safety guidelines. All selected youth are required to complete a COVID-19 health screening and test negative for COVID-19 within 72 hours prior to the scheduled travel from their hometown to the camp. More information about our COVID-19 precautions and safety plans will be shared with parents of selected youth during the parent orientation meeting.

If your child is selected to attend the camp and becomes ill within 7 days of the camp dates, please get them tested for COVID-19 right away and follow up with camp staff as soon as possible to confirm if they will still be able to attend.

All staff, volunteers, and participants will be screened for COVID-19 symptoms upon arrival to the camp, which includes the administration of a COVID-19 at-home test. No staff, volunteer or child is permitted to participate in the camp if they have tested positive for COVID-19 within 72 hours of anticipated or actual arrival.

Please indicate whether your child is vaccinated or tested positive for COVID-19 within the past 3 months:

My child is vaccinated

My child has tested positive for COVID within the past 3 months

My child is **NOT** vaccinated

My child has **NOT** tested positive for COVID within the past 3 months

CAMP SWEATERS

Please indicate what size hooded sweatshirt you wear. AEF will provide sweaters to all campers at the end of camp.

Adult size: Small Medium Large X-Large 2X-Large
